Material Safety Data Sheet

Section 1. Product and Company Identification

Product Name: IsHyb In Situ Hybridization Kit
Catalog Number: K2191020 and K2191050
Manufacturer: Biochain Inst., Inc. 39600 Eureka Drive, Newark, CA 94560, USA
Contact: 510-783-8588 (Tel) or 510-783-5386 (Fax), info@biochain.com, www.biochain.com
Validation Date: 06/01/2003

MSDS# K2191020 and K2191050
Component/Item (and Parts number if listed)

Section 2. Composition and Information on Hazardous (OSHA) Ingredients

All components of the kit are considered non-hazardous.

Section 3. Hazards Identification

Review approved and the most current institutional guideline, protocol, SOP(s) and MSDS(s) for the proper handling of institutional materials/equipment associated with the use of this BCI product.

Primary Routes of Entry:

Section 5. Fire Fighting Measures

Flammability of the Product: Not flammable.
Flash Points: Not available

Section 6. Accidental Release Measures

N/A.

Section 7. Handling and Storage

Section 8. Exposure Controls and Personal Protection
Section 9. Physical and Chemical Properties

N/A.

Section 10. Stability and Reactivity

Stability and Reactivity: The product is stable

Section 11. Toxicological Information

N/A

Section 12. Ecological Information

The product itself and its products of degradation are not toxic.

Section 13. Disposal Considerations

Please consult local, state and federal regulation on additional guidance on disposal.

Section 14. Transport Information

Contact BCI for all transport information.

Section 15. Regulatory Information

N/A

Section 16. Other Information

Notice to Reader

The information contained in this MSDS was obtained from sources we believe are reliable. However, the above information is provided without warranty, expressed or implied, regarding its correctness. BioChain makes no guarantee of the accuracy or completeness of the data and shall not be liable for any damages thereon. The data are offered solely for your consideration, investigation, and verification. These suggestions should not be confused with either state, municipal, or insurance requirements, or with national safety codes and constitute no warranty. The conditions or methods if handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist. Any use of these data and information must be determined by the user to be in accordance with applicable federal, state, and local regulations.
