Safety Data Sheet
Cytotoxicity Control (Saponin)

1. PRODUCT AND COMPANY IDENTIFICATION
Trade Name: Cytotoxicity Control (Saponin)
Item Number: Z5030008
Manufacturer: Biochain Institute, Inc.
39600 Eureka Drive
Newark, CA 94560, USA
Tel: 510-783-8588, Fax: 510-783-5386
Email: info@biochain.com

2. HAZARDS IDENTIFICATION
GHS Classification
Eye irritation (Category 2A)
Specific target organ toxicity- single exposure (Category 3)
GHS Label elements, including precautionary statements
Pictogram
Signal word: Warning
Hazard statements
H319 Causes serious eye irritation.
H335 May cause respiratory irritation.
Precautionary statements
P261: Avoid breathing dust/ fume/ gas/ mist/ vapors/spray.
P305 + P351 + P338: If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P305 + P351 + P338: If swallowed: Rinse mouth out immediately. Rinse mouth and throat with large quantities of water. Get immediate medical attention. Wash contaminated clothing before reuse.
P305 + P351 + P338: If on skin: Remove contaminated clothing and shoes. Get immediate medical attention. Wash with large amounts of water while removing contaminated clothing and shoes. Get immediate medical attention.
P305 + P351 + P338: If inhaled: Move exposed person to fresh air. If not breathing, provide artificial respiration. If breathing is difficult, give oxygen. Get immediate medical attention.
P305 + P351 + P338: In case of fire: Use dry chemical powder or water spray. Extinguish subject fire using water spray, carbon dioxide, dry chemical powder or appropriate foam.

3. COMPOSITION/INFORMATION ON INGREDIENTS
Saponin: CAS #: 8047-15-2; EC #: 232-462-6

4. FIRST AID MEASURES
Eye: Eye irritation. Flush immediately with large amounts of water for at least 15 minutes. Eyelids should be held away from the eyeball to ensure thorough rinsing. Get immediate medical attention.
Skin: Itching or burning of the skin. Immediately flush the skin with plenty of water while removing contaminated clothing and shoes. Get immediate medical attention. Wash contaminated clothing before reuse.
Inhalation: Remove exposed person from source of exposure to fresh air. If not breathing, clear airway and start cardiopulmonary resuscitation (CPR). Avoid mouth-to-mouth resuscitation. Avoid release into the environment if possible.
Ingestion: Get immediate medical attention. Do not induce vomiting unless directed by medical personnel.

5. FIRE FIGHTING MEASURES
Extinguishing media: water spray, carbon dioxide, dry chemical powder or appropriate foam.
Special firefighting procedures: wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.
Other information: Unusual fire and explosion hazards: emits toxic fumes under fire conditions.

6. ACCIDENTAL RELEASE MEASURES
Keep unnecessary people away; isolate hazard area and deny entry. Small spills: Take up with sand or other noncombustible absorbent material and place into containers for later disposal. Large spills: Dike far ahead of liquid spill for later disposal. Do not flush to sewer or waterways. Prevent release to the environment if possible.

7. HANDLING AND STORAGE
Precautions for safe handling: Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive fire protection.
Conditions for safe storage: Keep container tightly closed in a dry and well-ventilated place.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION
Follow standard laboratory safety procedures, including wearing chemical safety goggles, face shield, gloves, NIOSH approved respiratory protection and protective clothing. Wash and dry hands.

9. PHYSICAL AND CHEMICAL PROPERTIES
Appearance: solid
Color: no data available
pH: no data available
Melting point/freezing point: no data available
Boiling point: no data available
Flash point: no data available
Ignition temperature: no data available
Autoignition temperature: no data available
Lower explosion limit: no data available
Upper explosion limit: no data available
Vapor pressure: no data available
Density: 1.015 - 1.02 g/mL at 20 °C (68 °F)
Water solubility: no data available
Partition coefficient: n-octanol/water: no data available
Relative vapor density: no data available
Odor: no data available
Evaporation rate: no data available

10. STABILITY AND REACTIVITY
Thermal Decomposition: no decomposition if used according to specifications.
Dangerous Products of Decomposition: Carbon oxides.
Dangerous Reactions: none.

11. TOXICOLOGICAL INFORMATION
Acute toxicity: Oral LD50: no data available; Inhalation/Dermal LC50: no data available
Skin corrosion/irritation: no data available
Serious eye damage/eye irritation: no data available
Respiratory or skin sensitization: no data available
Germ cell mutagenicity: no data available
Carcinogenicity: Not known or reported to be carcinogenic by any reference source including IARC, ACGIH, NTP or OSHA.
Reproductive toxicity: no data available
Teratogenicity: no data available
Specific target organ toxicity - single exposure (Globally Harmonized System): Inhalation - May cause respiratory irritation.

12. ECOLOGICAL INFORMATION
Avoid release into the environment. Runoff from fire control or dilution water may cause pollution.

13. DISPOSAL INFORMATION
Dispose in accordance with local, state or national regulations.

14. TRANSPORT INFORMATION
DOT (US) - Not dangerous goods.
IMDG - Not dangerous goods.
IATA - Not dangerous goods.

15. REGULATORY INFORMATION
OSHA Hazards: Irritant
SARA 302 Components - SARA 302: No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.
SARA 313 Components - SARA 313: This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.
SARA 311/312 Hazards: Acute Health Hazard.

16. OTHER INFORMATION
The above information is believed to be accurate, but does not purport to be all inclusive and shall be used only as a guide. BioChain makes no warranty, express or implied, and assumes no responsibility as to the accuracy or suitability of such information or application to the user's intended purpose or for consequences of its use. The Users should make independent decisions regarding the completeness of information based on all sources available.
