

Certificate of Analysis

Product Name: LDH Cytotoxicity Assay Kit

Catalog No.: K6330400

Shipping Condition: Dry Ice

Storage Condition: -20 °C

Shelf Life: One year from the date of receipt under proper storage conditions

Description

Components in this kit are prepared with pure chemicals according to our proprietary technology. BioChain's LDH Cytotoxicity Assay Kit enables to measure the cytotoxicity with colorimetric assay and based on based on the measurement of activity of lactate dehydrogenase (LDH) released from damaged cells. The procedures are simple, fast, sensitive and accurate. One kit is consisted of reagents enough for performing 400 assays.

Quality Control

1 kit of this lot has been tested to go through the complete cytotoxicity assay. The 490 nm absorbance of cell supernatant using this lot of kit is comparable to those obtained with control (previous) lot.

Components

1. One Kit
2. User Manual
3. Certificate of Analysis
4. MSDS
