

## Certificate of Analysis

**Product Name:** Ribonuclease A (CAS#: 9001-99-4)

**Catalog No.:** Z5050001      **Lot No.:**

**Shipping Condition:** Dry ice

**Storage Condition:** -20 °C

**Shelf Life:** One year from the date of receipt under proper storage condition

### Quality Control

Test Type	Specifications
Activity (Min.), U*/mg of Material	90
Appearance	Clear, Colorless Water Solution
DNase	ND

### Components:

1. 100 mg Ribonuclease A solution, concentration 100 mg/ml.
2. Certificate of Analysis.

**FOR IN VITRO RESEARCH USE ONLY**

**APPROVED BY:** \_\_\_\_\_
